

# FIRE / EMS CAMP

## ECLIPSE 2017

100% TOTALITY

In Central Oregon

### The Event

On the morning of August 21st, 2017, there is going to be a Total Solar Eclipse in Central Oregon when we will experience total darkness for about 2 minutes as the moon completely blocks out the sun. This is a once in a life-time event, as the next eclipse will not occur in this area until the year 2108. Thousands of people are expected to visit this area to view the eclipse, and accommodations at all the usual places have long ago been booked up. Lake Chinook Fire & Rescue is offering campsite, trailer sites and dorms to Firefighters and EMTs.

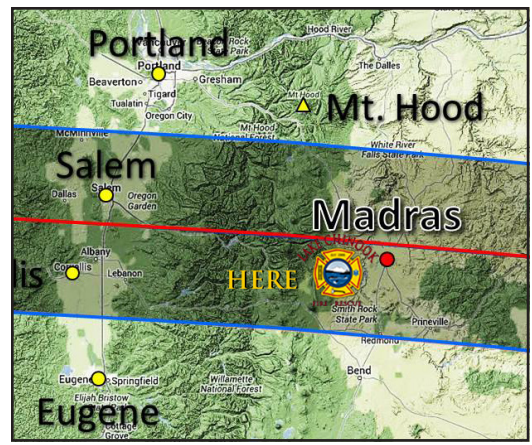

### About Lake Chinook Fire & Rescue

LCF&R is located on Lake Billy Chinook. We are in the path of 100% totality during the eclipse. An Excellent viewing location. We are a small volunteer department, with limited resources to handle the influx of thousands of campers and visitors into our area. We are offering affiliated firefighters and EMTs a free place to stay, or camp in turn for a 12 hour shift of duty, during the event, from Thursday August 17th till Tuesday August 22nd. Responders are welcome to stay Wednesday to Wednesday.

### The Offer

LCF&R is offering qualified individuals FREE tent camping, trailer site or dorm room in turn for a minimum 12 hour shift during the week of the event. A \$250 - \$500 offer! **Plus!**

- **Free Lunch & Dinner Friday-Sat-Sun**
- **Bathroom & Showers**
- **Beach Access to Private beach on Lake Billy Chinook**
- **Marina & boat ramp access.**
- **Access to Rifle & Gun Range (if open)**
